The ADHB Mental Health Team do!

For those looking for work/life balance

...here's a part-time, fixed-term role that will appeal!

St Lukes Community Mental Health Centre is a service for adults based in Morningside, Auckland, with an excellent reputation for providing effective acute services and a range of high quality therapeutic programmes.

As a Clinical Psychologist, you'll have the chance to focus on the clinical assessment, formulation and treatment of clients of the service. This is an interesting and challenging role which will provide you with the perfect opportunity to work as part of a specialist service in a unique interdisciplinary team environment. Our team is committed to partnership, recovery and increasing our range of best practice treatment options.

If you have a sound working knowledge of psychology models, including CBT, you are already half way there. You'll be trained and qualified in Clinical Psychology and hold current registration with New Zealand Psychologists Board under Clinical Scope of Practice. As this is a community based role, a full and clean driver's licence is a must.

This role is part-time, 24 hours per week and is fixed-term to provide parental leave cover.

For further information please contact Julia Wrightson, Recruitment Consultant, on 09 623 6447, email jwrightson@adhb.govt.nz or apply online.
