

# Associate Fellowship

To qualify for election as an Associate Fellow, the Executive must be satisfied that a member

- Has been engaged in psychological work for a period of not less than four years after qualifying for membership; and
- By their own research or practice or by organising or developing the work of others, they have made a substantial contribution to the advancement of either
  - psychological knowledge; or
  - psychological practice, and
  - have developed professional skills which entitle him or her to be regarded as a mature and highly competent professional psychologist.

Click on the NZPsS [Rules](#) for further information about nominations for Fellowship.

Nominations for Fellowship can be forwarded to the Membership Administrator at **National Office – [membership@psychology.org.nz](mailto:membership@psychology.org.nz)**.
