We will provide you with a pre-existing client base to get you started, ensuring a reliable stream of clients as you establish and expand your practice.

Responsibilities

- Deliver high-quality mental health services to clients, maintaining professionalism and ethical standards.
- Conduct thorough assessments, develop treatment plans, and implement evidence-based interventions tailored to individual client needs.
- Maintain accurate and up-to-date client records, ensuring confidentiality and privacy.
- Collaborate with our team of mental health professionals, sharing knowledge and participating in professional development opportunities.
- Engage in regular supervision and mentoring sessions to support your personal and professional growth.

Qualifications and Requirements

- Relevant qualification in mental health or related field (e.g., psychology, counselling, social work).
- Full registration or membership with a recognized professional body.
- Proven experience in delivering effective mental health interventions.
- Strong communication and interpersonal skills, with the ability to establish rapport and build therapeutic relationships.
- Self-motivated, organized, and able to manage your own caseload independently.
- Commitment to ongoing professional development and adherence to ethical guidelines.

Benefits

- Flexibility to work from anywhere in the North Island, with access to our Pukekohe office for in-person sessions.

- Mentorship and support from experienced mental health professionals to help you build and grow your own business.
- A pre-established client base provided to jumpstart your practice and ongoing referral opportunities.
- Regular supervision and professional development opportunities to enhance your skills and knowledge.
- Collaborative and supportive team environment fostering learning and growth.
