presented by Dr Leah Giarratano

Leah is a doctoral-level clinical psychologist and author with vast clinical and teaching expertise in CBT and traumatology since 1995

Two highly regarded trauma focused programs for all mental health professionals. Offered in Australia and New Zealand and internationally as a self-paced online program or via 2-day livestream

Clinical skills for treating post-traumatic stress disorder

Treating PTSD: Day 1 - 2

This two-day program presents a highly practical and interactive workshop (case-based) for treating traumatised clients; the content is applicable to both adult and adolescent populations. The techniques are cognitive behavioural, evidence-based, and will be immediately useful and effective for your clinical practice. In order to attend Treating Complex Trauma (Day 3-4), participants must have first completed this 'Treating PTSD' program.
