

LAKES DISTRICT HEALTH BOARD

ROTORUA AND TAUPO HOSPITALS

## Psychologist - Woman, Child and Family Services

Vacancy No: ROT01224

We are seeking an experienced general psychologist to work alongside our clinicians and other multidisciplinary staff to provide a high standard of psychological formulation and design and delivery of treatment for clients within our service and for the WCF child health services. This role will also provide consultation, education and supervision to other WCF staff.

If you are looking to work in a progressive and friendly workplace with a fantastic work/life balance this is the role for you.

Rotorua is in the centre of the North Island surrounded by lakes and mountain bike tracks – yet only an hour from the spectacular east coast beaches. The beautiful lake Taupo is also an hour away with Mount Ruapehu offering skiing, tramp, fishing and water sports.
