

## **Senior Lecturer/Associate Professor in Psychology**

### **School of Psychology Palmerston North**

We are currently accepting applications from International candidates, however due to border restrictions caused by Covid-19 and the worldwide pandemic, we will only process applications from non NZ citizens or non NZ residents who are likely to gain border exemption and an appropriate NZ work visa.

Applications are invited from suitably qualified persons for a Senior Lecturer/Associate Professor in Psychology. Applicants should have a doctoral degree in Psychology or relevant social science, with experience in research as well as teaching and supervision at the tertiary level.

The successful candidate will be expected to contribute to the leadership of an existing programme in ageing research. They will also be expected to teach developmental psychology with a focus on ageing, supervise post-graduate research students, and have experience in survey research methods and data analysis. We are particularly interested in candidates with demonstrated experience in attracting external research funding and a strong record of research stakeholder engagement and publication.

The School has a commitment to indigenous psychologies (<https://sites.massey.ac.nz/indigenoupsychologies/>) and we are interested in receiving applications from individuals who support that commitment.

Enquiries of an academic nature should be directed to Professor Fiona Alpass, School of Psychology [f.m.alpass@massey.ac.nz](mailto:f.m.alpass@massey.ac.nz)

Information about the School of Psychology and the University can be accessed via [psychology.massey.ac.nz](http://psychology.massey.ac.nz)

**Closing date: 11.30pm Sunday, 11 July 2021.**  
**Reference number: CHSS\_SP\_729\_05/21**
