

- Are you liking for work-life balance?
- We are looking for a NZ registered Clinical Psychologist to join our Hawkes Bay, based in our Napier or Hastings office
- Full time or part time hours as a part or full salaried staff member

Who we are | Ko wai matou?

Gains Wellness and Psychology are part of Healthcare NZ. HealthCare NZ provides a wide array of health and human services to people throughout New Zealand. Since 1988 we have been caring, supporting and empowering people in need to live independently, safely and well in their community as well as in specialised services settings. We help people gain access to needed services, ensuring they receive vital services, are safe, well-cared for and live as independently as possible.

Explore Specialist Advice is a solely owned subsidiary of HealthCare NZ and is responsible for the delivery of Mental Health and Wellbeing Service. As part of Explore Specialist Advice, Gains Wellness and Psychology provides personalised assessment and treatment of a wide range of psychological issues.

About the role | He korero whakamarama mo tenei turanga

You will be part of a team that includes Clinical Psychologists, Neuropsychologists, Registered Psychologists, Counsellors and Social Workers and will have the unique opportunity to do a diverse range of work across the spectrum of age groups.

You will deliver a mental health service that accepts private paying clients and also work closely with funders such as ACC, GPs, FENZ, Police, OT and the Courts and a variety of organisations including schools and other businesses and because of the breadth of work we do, clinicians are able to work in areas best suited to their interests and skill set.

What you will bring | Nga tohungatanga mo tenei turanga

- A minimum of one year clinical experience
- Experience in assessing and treating a wide range of mental health difficulties
- Full Membership as relevant to registration (NZPB, NZAC, NZAP)
- Willingness to become ACC registered to provide service under Sensitive Claims Contract
- A full NZ driver's licence

Why Us | He aha ai matou?

We support people wanting to move towards psychological wellness and recovery across the spectrum of age groups.

We foster a culture of learning where our Clinicians can support and learn from one another and provide you with respect and autonomy, so you can work in your own way. We offer excellent clinical supervision and development that will support you to broaden your skills set and further your career aspirations. We recognise the importance of work/life balance which is why we provide a work place with flexibility.

We can help develop your skills in a range of treatments areas including:

- EMDR
- Autism assessment
- Neurodevelopmental Assessment

Please apply by clicking on this [LINK](#) to apply via our website including a CV and a cover letter.

Applications Close | Te katinga o enei whai turanga: 13 August 2021 -interviews may be held prior to applications closing.
