

REGISTERED CLINICAL PSYCHOLOGIST CHILD DEVELOPMENT SERVICE, CLINICAL AND PROJECT WORK – FIXED TERM CONTRACT

Are you interested in working with children with disabilities and their whānau in a community based whānau centered service, using an equitable and transdisciplinary model of practice?

The role of the Psychologist within our team will be to carry out appropriate psychometric assessments, gather data to support these assessments, plus follow up support and counselling as required. Additional tasks will include identifying and implementing additional psychological services for children referred and collection of data on outcomes of enhanced services, as well as gathering data regarding whānau engagement involved in the service.

Applicants must have;

- PG DIP Psych Clin or equivalent.
- Registration as a Psychologist with the Psychologist Board.
- Experience in clinical psychological assessment, treatment and rehabilitation of children with disabilities within a transdisciplinary/interdisciplinary environment including children with autism and FASD.
- An understanding of, and demonstrated commitment to the principles of the Treaty of Waitangi, Tikanga and cultural safety in healthcare delivery.
- Computer literacy.
- Demonstrated sound written and oral communication skills.
- Sound knowledge of typical and atypical development.
- A 'whatever it takes' approach.
- Project experience desirable.
- Current, clean, and full driver's licence.

All applicants will be subject to a Police screen.
