

## Clinical Psychologist (0.8 FTE)

- ✓ **A unique opportunity to work and live in a special place.**
- ✓ **IMAGINE... NO rush hour... QUIET beaches... STUNNING scenery!**

Are you looking for an exciting challenge and a change of lifestyle?

Te Whare Mahana is an independent charitable trust that provides a range of community based mental health services as well as **NZ's only residential Dialectical Behaviour Therapy**.

We seek a Clinical Psychologist with Dialectical Behaviour Therapy (DBT) expertise to join our friendly and supportive team within an adherent DBT residential programme (Adults) with emotional dysregulation.

**Qualifications required:** Registered Clinical Psychologist (0.8 FTE) with experience in CBT/DBT. Although DBT training and experience is strongly preferred, we will invest in DBT training. Must be registered with NZ Psychologists Board or be eligible for registration with NZPB and hold a valid practising certificate. Salary offered in relation to the professional experience.

**Benefits include:** Some flexibility in work schedule, paid professional/registration fees, annual training budget, contribution towards relocation.
