District Health Board

Te Poari Hauora o Waitaha

Neuropsychologist – Psychologist

Our Purpose: Why we do it

When you work with the Canterbury District Health Board, you're part of something very special. We plan, fund and deliver health services to the almost 600,000 people that live in the Canterbury region. Our primary goal is to put people at the heart of everything we do.

The Team: What we do

Situated on the outskirts of Christchurch, Burwood Hospital is located in attractive grounds providing a range of rehabilitation services onsite. There are general and neuro-rehabilitation services, Older Persons Health, Older Persons Mental Health and elective Orthopaedic surgery all provided on the campus.

The service works closely with our other campus', in particular Psych Consult, Neurology and general medicine and work may be required to be undertaken at different campus' as necessary.

Our service covers a range of services employing multidisciplinary teams in the neuro-rehabilitation, general rehabilitation and reconditioning of population 16 - 65 years.

This is a permanent vacancy (0.6FTE) 24 hours a week with days to be discussed at interview.

The Role: Where you fit in;

You will have a Dip Clinical Psychology or equivalent to join the Psychology service at Burwood Hospital.

We are particularly keen to hear from clinicians with qualification or experience in Neuropsychological assessment and rehabilitation.

Our Culture

Care and respect for others. *Manaaki me te whakaute i te tangata.*

Integrity in all we do. *Hāpai i ā mātou mahi katoa i runga i te pono.*

Responsibility for outcomes. *Te Takohanga i ngā hua.*
