3. Superannuation currently at 10.5%
4. Very comfortable and well-resourced offices – clean & ready for you.
5. Health and safety in all offices including Air Purifiers in every office & in the Admin spaces.
6. Excellent psychology test library and professional library
7. High level administrative support – management of case load, invoicing, payments, files & letters
8. Regular in-house group supervision sessions and individual supervision as required at no cost with experienced AHPRA registered senior Clinical Psychologists.
9. Access to in-house CPD at no or minimal cost. plus some CPD subsidies
10. Work close to the city of Perth in the North Perth Office, or in greater Perth in the City of Mandurah, which is a holiday town 70 kms south of Perth, or work across both.
11. Free parking.
12. Work available immediately: medical referrals, government contracts, NDIS, school referrals, plus plus

PERTH & MANDURAH have many attractions but some which may be good for you are:

1. Low cost housing – rent or buy - compared to East Coast Australia
2. Wonderful weather and easy access to beaches and nature as well as city highlights including sport, entertainment and good dining.
3. Mandurah is a vibrant seaside holiday town close to the south west -including Margaret River.
4. The North Perth Office is close to the Perth CBD. Perth and surrounds has good entertainment and lots of other indoor and outdoor recreational activities available. Many wonderful beaches.
5. Stable and low cost energy costs compared to East Coast Australia
6. Well managed State health and COVID.
7. Perth and Mandurah are very safe cities.
8. **Perth Psychological Services (PPS)** is a well-respected vibrant and busy private clinical psychology practice in Perth and Mandurah.

The successful applicant will be responsible for providing therapy to their own client load. They will enjoy the support of experienced colleagues, including our administration support staff and clinical management team. The position comes with the security of working for an established practice with a strong referral base and good reputation. Opportunities to work with your preferred client group.

The Person

We are looking for Clinical Psychologists who are enthusiastic, able to work independently, and who enjoy being part of a supportive team. We want the person to embrace the opportunities offered and develop their intervention and assessment skills. The diverse caseload comprises therapeutic intervention and assessment.

The Practice

PPS has a client base that includes GP Medicare referrals, referrals through government department contracts (Health, Disability, Child Protection), Infertility Counselling, NDIS referrals, Insurance, rehabilitation, assessment and therapy with 12-19 year-olds referred by Care Schools, Court reports and many other areas. **Our Website also offers interesting information:** www.perthpsychology.com.au

Perth Psychological Services offers the successful applicant:

- A supportive team who value working collaboratively.
- Fully-equipped & furnished therapy rooms appropriate for working with adults, children & adolescents.
- Consistent ongoing provision of referrals.
- Electronic practice management diary, accessible from anywhere to help you track your appointments
- Administration support that includes; intake and management of all appointments, reception services, invoicing & account facilities, and support in completing Medicare reporting requirements. Management of online psychometric assessments via online platforms. Your own business cards and PPS email.
- Regular Group Clinical Psychology Mentoring Sessions (group Supervision) at no cost provided by the Clinical Directors both of whom are endorsed as clinical supervisors by AHPRA's Psychology Registration Board. Individual Supervision for Clinical Psychologists as required at no cost.
- Professional Development provided in-house.
- Flexible hours.
- Access to a range of client resources and a large clinical library.
- Access to a range of psychometric tests & synchronised iPads for ease of testing.

Essential/highly desirable criteria brought by successful applicant:

- Masters or Doctoral Degree in Clinical Psychology. Recent graduates are encouraged to apply.
- Eligibility to provide Medicare psychology services after registration with AHPRA
- Registration or eligibility for registration as a Clinical Psychology with AHPRA. New Zealand has reciprocal registration rights for Clinical Psychologists.
- Competence in diagnosis using DSM-5
- Risk assessment skills
- Some experience in the assessment, diagnosis and treatment of adults, children and adolescents with a range of psychological issues
- Some experience in working with diverse cultural groups
- Professionally insured by a provider approved by AHPRA
- Police Clearance
- Working With Children Card
- Drivers Licence and Motor Vehicle insurance

INCOME:

You can work as a sub-contractor or on salary plus bonuses. The money is very good

Ring or email and let us give you the details. You can work full time or part time.

- **Annual full time salary commences at \$115,000** for a Clinical Psychologist with regular bonuses. Salary will be determined based on the successful applicants level of skill and experience.
- **Subcontractors earn substantially more.** We can outline this for you upon request.
