

**City Osteopaths** is a multidisciplinary healthcare practice located in central Wellington. Our warm and professional clinic environment allows complementary medicine practitioners to work together as a team to help individuals achieve their health goals. Our practice comprises Registered Osteopaths, Registered Acupuncturists, Massage Therapists, Naturopaths, and Alexander Technique practitioners. With over 150 years of combined clinical experience, our practitioners are recognized experts in their fields. We are dedicated to helping people out of pain and back to health, even in challenging cases.

We are a very busy practice in a central location with lovely light and airy treatment rooms and have a spacious reception with full-time reception support and professional practice manager.

We have an excellent clinical service reputation with a 4.9/5 Google review average on 289 reviews.

### **Role Description**

There are 1-3 part-time or full-time on-site roles for a Psychologist or Psychologists at City Osteopaths Healthcare in Wellington. You would be responsible for providing counselling, mental health support, and psychological assessment services. The role involves conducting therapy sessions, developing treatment plans, and supporting individuals in improving their mental well-being. Additionally, you would collaborate with other healthcare practitioners within the practice to provide holistic care to patients.

### **Qualifications**

- Psychology and counseling skills
- Experience in mental health support and psychological assessment
- Knowledge of medicine and its impact on mental health
- Excellent interpersonal and communication skills
- Ability to empathize and establish a strong therapeutic relationship
- Problem-solving and critical thinking abilities
- Strong organizational and time management skills
- Experience working in a multidisciplinary healthcare setting is a plus
- Master's or doctoral degree in Psychology or a related field
