

## Psychologists & Clinical Psychologists – ACC Opportunities Available

Are you a Psychologist or Clinical Psychologist interested in becoming ACC registered, joining a new supplier, or expanding your current practice?

Your Focus Ltd is a therapist-led ACC supplier supporting clinicians across onboarding, referrals, contract guidance, and delivery of ACC services — with practical systems, resources, and responsive team support.

Due to high demand, we are particularly seeking Psychologists and Clinical Psychologists to provide psychologist-only ACC services, including:

- SCS Specialist Assessments
- SCS Functional Assessments
- ACC Psychological Services Contract – assessment and treatment
- Support to access suitable ACC supervisors (if required) to meet contract requirements

We are also always onboarding Treatment Providers to support ongoing SCS treatment demand.

### What we offer

We provide step-by-step support with:

- Becoming ACC registered (including Sensitive Claims)
- Adding Your Focus as an additional ACC supplier
- Applying for ACC contracts you do not currently hold (as listed above)
- Navigating ACC systems and processes
- Resources and mentoring (if required) for report writing
- Guidance, training, and support in relation to servicing ACC contracts, including administrative tasks
- Receiving appropriate referrals

You'll also have access to our Provider Portal — a central place to access key templates, tools, and resources to support ACC delivery, with updates and training opportunities added as our systems continue to grow.

### Why join Your Focus?

As a Your Focus provider, you will have:

- Responsive clinical and administrative team support
- A streamlined, user-friendly invoicing system (weekly payments + full-service support)
- Competitive administration fee
