

**Clinical Psychologist****Job Ref: WAI12759****Where you'll be working:** Community Forensics – 40 Clarence Street, Hamilton**The details:** Permanent - 80 hours per fortnight

Come and be part of a multidisciplinary team that will enhance and expand your clinical experience as a clinical psychologist.

About the service:

The mental health and addictions service deliver a variety of services across the Waikato region. We are a service undertaking a huge programme of change to deliver better outcomes to tāngata whai ora and whānau in our region. Nga iwi Ngakaunui - people at the heart is demonstrated best in mental health and addictions, people really are at the heart of all that we do. We know how important strong relationships are; with people who access our services, with their whānau and with the communities we serve.

About the role:

Your work will encompass delivering mental health care to individuals within the prisons in the midland region, community clients and clients transitioning out into the community. There is also potential to be involved in writing court reports.

Responsibilities of the role:

As a clinical psychologist you will provide a comprehensive and quality service which is accessible, appropriate and culturally sensitive working in partnership with individuals and their families.

Required skills & experience:

- excellent assessment skills
- experience in implementing interventions which enhance service user outcomes
- the ability to manage relationships with multiple stake holders.
- a current practicing certificate
- a current drivers licence
- previous experience in corrections or forensics would be advantageous.

Why us:

We are a values based and inclusive organisation that is committed to deliver the best health outcomes for our total population. To do this we are working hard to develop a robust and capable workforce that reflects the population we serve. We strongly encourage applicants from all backgrounds with the necessary capability and who share our values to apply and would greatly value seeing more applicants from our Māori communities.

The Waikato District Health Board is supportive of ongoing training/ education and provides clinical supervision.

Why Waikato:

Waikato is the fourth largest region in New Zealand and located just south of Auckland. It features a wide range of world-class outdoor and cultural experiences. You can surf the world-famous beaches of Raglan, swim at the beautiful beaches of the Coromandel, hike our majestic mountain ranges, tour the Hobbiton shire, experience the magic of the Waitomo glowworm caves, and encounter a vast array of flora and fauna at the remarkable Maungatautari Ecological Reserve.

Situated on the banks of the mighty Waikato River, Hamilton is New Zealand's largest metropolitan inland city. Hamilton's vibrant city centre and rich cultural mix makes it an ideal place to experience the authentic friendly Kiwi lifestyle.
