

Clinical Psychologist - Child Development Services

Ngā mōhiohio e pā ana ki tēnei mahi (About this position)

In this role you will provide assessment, formulation and therapeutic interventions for children and young people with physical disabilities, neurodevelopmental disorders and medical conditions such as Type 1 Diabetes. You will use a child centred approach and work collaboratively with family/whanau and other community agencies. You will work within a coordinated system of care in the Child Development Service and Paediatric Outpatient Service, and provide consultation as part of the paediatric team in the provision of high quality, evidence based practices as appropriate.

Ko wai he kaitono tōtika? (Who is an appropriate applicant?)

You must have current registration with the New Zealand Psychologists Board and adhere to the legal and best practice requirements of the NZ Psychologists Board and the Health Practitioners Competence Assurance Act (2003). If you share our passion for delivering an excellent service, and you are a dedicated team player who is seeking a new opportunity, we look forward to receiving your application.
